Kit List

We run sessions in all weather, all year round, your child and any accompanying adults will need appropriate outdoor clothing.

As all activities are held outside (and some of our activities involve mud) it is more than likely that anyone attending will get dirty, so please don't dress children - or adults in their best clothes!

We suggest for all of our sessions:

- An all in one waterproof / waterproof jacket and trousers
- Wellies / walking boots / sturdy shoes
- Long trousers
- Long sleeve top
- Layers - all sessions are held outdoors so we always suggest bringing extra layers
- A change of clothes for the journey home (and a bag to put muddy kit in!)

Then, depending on the weather;

- Summer - sunhat, sun cream, bug spray
- Winter - hat, gloves, scarf/neck warmer, thick socks, extra layers, extra socks / gloves
