Boots & Brambles Parties

Frequently Asked Questions

How many children can come to the party?
10 children is the minimum for booking a party and 20 children is the maximum.

What is the suggested age for the parties and do adults have to stay?
We can tailor our parties for all ages. We ask that children age 6 and under are accompanied by an adult. For children age 7+ we ask for a ratio of 1:5 adults.

How long are the parties?
All parties are 2 hours long and we offer morning parties - 10-12 or afternoon parties 1-3 or 2-4 depending on the season.

What party themes do you offer?
We offer four themes; Den building, Witches and Wizards, Wildcraft and Storybook parties. Bespoke parties can be offered on request.

Are there options for food and can we bring cake?
We offer party packages which include individual lunch boxes and hot drinks for adults and you can also add on adult snack boxes too! You are more than welcome to bring your own cake - remember to bring matches/lighter and paper plates/napkins.

Do you offer party bags?
Our unique Boots and Brambles Sweet Boxes can be ordered when making your booking.

Where are parties held and is there parking?
All parties are held at our site adjacent to St Peter's Church Centre, Tollerton Lane, Tollerton, NG12 4FT. The Church Centre has a car park. It is not the most sizeable of car parks so we ask that you park as close together as you safely can (leaving room to get small children in and out of the vehicles safely).

What happens if it rains?
We hold our parties all year round in all weather, we have large tarpaulins up in the woods and ask that children - and adults come dressed in appropriate outdoor clothing.

What should children wear?
Please see our "What to Wear" page on the website (www.bootsandbrambles.com) and our downloadable kit list. Remember to dress both children and adults in suitable outdoor clothes that you don't mind getting muddy and wet. We suggest a waterproof outer layer for adults and children as we hold our sessions fully outdoors and always have mud and water play available. Please note that all parties include a campfire. Fancy dress/dress-up clothes are not suitable due to their high flammability risk.
If these are worn to the party, they **MUST** be removed before the campfire is lit.

What do you do in cases of severe weather?
We check the weather forecast before each session and adapt the activities accordingly. We have large tarpaulins up in the woods to provide shelter. We endeavour to hold our parties in all weather, throughout the year, with the exception of very high winds or thunderstorms when it would be unsafe to be in the woods. In this case we would have to cancel the party and rearrange it for the nearest convenient date.
