Family Sessions

Frequently Asked Questions

What are Family Sessions?

These are sessions which run in our woodland site on selected days in Nottinghamshire County Council school holidays or occasional weekends. These are themed sessions which are open to the whole family (please note, all children must be accompanied by an adult). Swing in our hammock, climb on the slack line, mix up a treat in the mud kitchen. Finish your trip to the woods by gathering together around our fire circle to toast marshmallows on our campfire!

How old does my child have to be?

The sessions are open to all ages. Sessions take place in our fantastic Boots and Brambles Base Camp with a range of activities available to encourage play and exploration for all ages!

What is a typical session like?

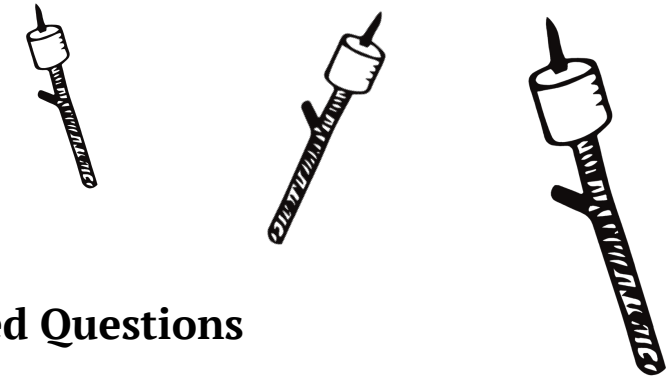

We run different themed Family Sessions throughout the year some linked to seasonal celebrations such as; Halloween, Winter Solstice, Easter. We also run other exciting themes such as Science in the Woods, Colours of the Woods and Cave Baby! Watch out for more exciting themes coming in 2022!

How much do Family Sessions cost?

Prices may vary depending on the theme / length of Family Session.

What should my family wear?
Please see our "What to Wear" page on the website (www.bootsandbrambles.com) and our downloadable kit list. Remember to dress you and your child in suitable outdoor clothes that you don't mind getting muddy and wet. We suggest a waterproof outer layer as we hold our sessions fully outdoors and always have mud and water play available. All sessions take place in our woodland so please wear suitable outdoor footwear.

What do you do in cases of severe weather?
We check the weather forecast before each session and adapt the activities accordingly. We have large tarpaulins up in the woods to provide shelter. We endeavour to hold our sessions in all weather, throughout the year, with the exception of very high winds or thunderstorms when it would be unsafe to be in the woods. In this case we would have to cancel the session and contact you accordingly

What do we need to bring?
We provide hot drinks, snacks and campfire treats. Please bring your own travel mug.

Do you have toilets?
We have access to indoor toilets with baby changing facilities

Is there parking?
The Church Centre has a car park. It is not the most sizeable of car parks so we ask that you park as close together as you safely can (leaving room to get small children in and out of the vehicles safely.)

When do sessions run?
The Family Sessions run on selected dates throughout school holidays on occasional weekends.
